Your Excellency,

I am writing to express my concern about the criminal proceedings initiated against Sirikan Charoensiri. She has been charged in relation to her work providing legal representation to clients in cases with human rights implications. Charoensiri appears to have been targeted because of her activities to defend human rights.

I therefore urge you to ensure that all ongoing criminal investigations concerning Sirikan Charoensiri are immediately dropped.

In addition, I call on you to ensure that Sirikan Charoensiri and other lawyers are able to carry out their professional functions to defend the human rights of their clients without being targeted with intimidation or judicial harassment.

Thank you for your attention to this urgent matter. I am kindly awaiting your reply.

Yours sincerely,
